SEASON 2008-09 WELCOME

“Best wishes to all Member Clubs of the Ryman Football League in season 2008/09.

“As always, last season the three Divisions were particularly competitive, with the titles and play-off places only being settled late in the season, and I see no reason that 2008/09 will be any different.

“We warmly welcome the nine new member clubs to our League, competing in a very strong Premier Division and two regional First Divisions.

“At the same time we have had to say goodbye to a similar number of clubs, and we wish them every success and enjoyment in their respective new Leagues this season.

“Hopefully, we will also see the success, as last season at Staines Town, Horsham and AFC Wimbledon, in the national cup competitions – the FA Cup and the FA Trophy – as well as in the respective County Cup games.

“I also look forward with much anticipation to the second season for Youth League, now with twenty clubs competing in two Divisions, with another very successful season.

*The Ryman Football League is fully committed in its support of The FA’s “Respect Programme”, and look to the full co-operation of all Member Clubs of the League with this initiative to enhance our game.

“Good luck to every Club in our League, and thank you for your support.”

Alan Turvey
Chairman

ANDREW LETTS

It was with great sadness that the League heard that Sutton United Football Club President, and former Vice President of the Isthmian Football League, Andrew Letts, passed away on Saturday, 2nd August, aged 93.

Originally introduced to Sutton United by his neighbour Charles Collingwood, who was

himself President of the Club, Andrew became active in the early Supporters' Club before moving onto the Club's management committee after the war. He was one of the hardy group of volunteers who helped construct their main grandstand and his far-sightedness was instrumental in Sutton United becoming one of the first clubs to seek limited company status in 1953, a move that paved the way for what would become some four

decades of almost continual success. One of the pivotal people in the history of Sutton United, his role in creating the Club we know today should never be underestimated.

Andrew was the first Chairman of the limited company, a position he held until stepping down in 1974, and then became Club President. He remained the company's major shareholder and played an active part in Club affairs, attending board meetings as often as he could until quite recently. A lawyer by profession, Andrew also served the community as an alderman and became the first Mayor of the new borough of Sutton & Cheam in 1965.

He is survived by his second wife, Doris, son Howard and daughters Carol and Sheila. Two of Andrew's grandsons, Philip and William, are continuing in the family tradition by supporting the U's home and away. Phil is our current Safety Officer and William, a lawyer like his grandfather, provides us with legal advice.

The League send its sympathy and condolences to the family at this sad time.

The Club will be holding a minute's silence before their first home league game, against Ramsgate on Tuesday, 19th August.

Andrew's funeral will take place on Wednesday 13th August, at St. Paul's Church in Nork. All who wish to pay their respects are very welcome to attend the memorial service, which will commence at Noon. This will be followed by a private cremation.

The Club have set up a book of condolences for Andrew and this is available to sign at the club, but you can also make your entry on-line, simply e-mail secretary@suttonunited.net with your name (or names if there's more than one of you) and a brief message. The completed book will be given to the family.

ISTHMIAN FOOTBALL LEAGUE APPOINTS REPRESENTATIVE TO THE FA

The Isthmian League Board of Directors has elected Nick Robinson to be the League's representative on the Council of The Football Association this season. The appointment follows the restructuring of The FA, allowing the League to have a representative on their Council for the first time, twelve months ago.

Nick is also the League's new Vice Chairman following his election to that office at the Annual General Meeting in June.

LEAGUE RULE 15.3 – MATCH OFFICIALS

Rule 15.3 was amended at the Annual General Meeting to read as follows:

In the event of any of the Match Officials appointed for a match not being in attendance at the match or becoming unable to complete the match it shall be completed under the control of the remaining Match Officials unless the competing Clubs are able to agree upon a substitute who is acceptable to the Match Referee; should the appointed Match Referee fail to appear then the senior Assistant Referee must take charge. Any substitute agreed for a match shall be considered a Match Official for the purposes of that match.

In the event that a Club causes a match to be abandoned in relation to the operation of this Rule then that Club shall be charged with failing to fulfil a fixture (Rule 8.6 refers).

NATIONAL LEAGUE SYSTEM SEASON 2008/09 - STEP 1 TO 5 PROMOTION AND RELEGATION

The Football Association have confirmed the procedures relating to promotion and relegation at the conclusion of season 2008/2009. Set out below are the details of how this will operate, taking into account the changed structure for this season.

Therefore, the following procedures will apply:

Step 1 and Step 2

The clubs finishing in the bottom four places at Step 1 at the end of the playing season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 2. They will be replaced by the clubs finishing in 1st position in each of the divisions at Step 2 together with a further two clubs which win a series of play-off matches involving those clubs finishing in a play-off position (normally positions 2 to 5) in each of the divisions at Step 2. In exceptional circumstances where a club in positions 2 to 5 does not meet the criteria to enter the play-offs they should be replaced by a club finishing in the next eligible position. Clubs finishing below position 7 would not be considered.

Step 2 and Step 3

The clubs in the bottom three places in each of the two divisions at Step 2 at the end of the playing season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 3. They will be replaced by the clubs finishing in 1st position in each of the divisions at Step 3 together with a further three clubs determined by a series of play-off matches involving those clubs finishing in a play-off position (normally positions 2 to 5) in each of the divisions at Step 3. In exceptional circumstances where a club in positions 2 to 5 does not meet the criteria to enter the play-offs they should be replaced by a club finishing in the next eligible position. Clubs finishing below position 7 would not be considered. The promoted clubs will also be placed in a feeder pool and placed in the most geographically appropriate division at Step 2.

Step 3 and Step 4

The clubs in the bottom four places in each of the three divisions at Step 3 at the end of the playing season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 4. They will be replaced by the club finishing in 1st position in each of the divisions at Step 4 together with a further six clubs to be determined by a series of play-off matches involving those clubs finishing in a play-off position (normally positions 2 to 5) in each of the divisions at Step 4. In exceptional circumstances where a club in positions 2 to 5 does not meet the criteria to enter the play-offs they should be replaced by a club finishing in the next eligible position. Clubs

finishing below position 7 would not be considered.

The promoted clubs will also be placed in a feeder pool and placed in the most geographically appropriate division at Step 3.

Step 4 and Step 5

In normal circumstances, the clubs in the bottom two places in each of the six divisions at Step 4 will be replaced by the twelve most suitable clubs from the leagues at Step 5 as determined by the LC. Each of these leagues will nominate the club finishing in 1st position subject to meeting the entry criteria and wishing to be considered for promotion. In the event of the 1st placed club not being nominated, the club finishing in 2nd position can be nominated subject to the same criteria. Both the clubs relegated from Step 4 and the clubs to be promoted from Step 5 will be placed in a feeder pool and allocated to the most geographically appropriate league.

In the event that there are more clubs qualifying for promotion than spaces available, priority will be given to the Champion clubs in Step 5 leagues. If there remains vacancies, clubs finishing in 2nd place in Step 5 leagues will be ranked according to the average number of points gained per games played.

Clubs seeking promotion from Step 5 to Step 4 must make application in writing to The Football Association, copied to their existing league, by 31st December in the relevant year. The application must be accompanied by the agreed grading fee, as determined by the LC, which is non refundable. The Football Association will arrange for ground grading visits to take place before 31st March in the relevant year. A final list of clubs eligible to be considered for promotion will be published by 15th April. Final promotion will be subject to the criteria outlined in the paragraph above.

CLUB GOSSIP

ASHFORD TOWN (MIDDX) FC

With the exception of Anthony Joseph (Bromley) and Paul Burgess (holiday), just about every regular first team player from last season has now signed on for Ashford Town (Middx) FC's new campaign.

Three new players signed last weekend, namely Billy Jeffreys a tall commanding central defender who has come to the club after being released by Millwall, Francis Luke, a speedy midfielder who lists both Dagenham & Redbridge and Sutton United amongst his previous clubs and Gareth Teuten, who was with the Staines Academy side and who impressed in a recent reserve match against Bracknell. Also now signed on Ryman forms are promising Under-18 players Danny Byron and Nick Hardy.

BOREHAM WOOD FC

Boreham Wood Football Club completed the transfer of Simon Thomas to Coca Cola Championship Club Crystal Palace, Tuesday 22 July 2008, for an undisclosed fee, with the usual add-ons and a Pre-Season Friendly next Season included.

The Club, which worked very hard to complete a successful transfer, wishes Simon Thomas all the very best in his new Career.

In his time at Boreham Wood Simon made a total of 71 First Team Appearances over two Seasons, scoring 33 goals. Last Season, Simon was the Club's leading goalscorer with 27 goals in 50 First Team appearances, including eight from the penalty spot.

The Club have announced a major new signing in that Mario Noto has joined the Club.

Mario is a 23 year old attacking midfield player who joined Boreham Wood from Chelmsford City by signing a Contract with his new Club on the 7 August 2008. Mario began his Career at Tottenham Hotspur in August 2002 and Reading, whom he joined in March 2003 before a short spell with Crystal Palace ended when he joined Canvey Island in January 2005. He made 36 appearances for them before transferring to Chelmsford City in July 2006, where he became a firm crowd favourite with several spectacular long range goals. Wood fans can expect to see more of his trademark long range efforts, silky skills and fine distribution in the future.

CARSHALTON ATHLETIC FC

The Club were delighted with the news that Sutton Council have this week given planning permission for further improvements at their attractive Colston Avenue ground. The main terrace at the ground has long been regarded as one of the best in non-league football, giving spectators an outstanding view of games and generating a great atmosphere. Their enjoyment should be further enhanced with the erection of new floodlights to appreciably improve visibility for players and spectators on winter Saturdays and for midweek evening games.

The new installations will replace the existing 40 year old pylons and will be on attractive single masts sited around the pitch. The new masts are lower than the old pylons and the light spill will be controlled. Local residents are also expected to welcome the new installations as the level of light pollution will be much reduced. The club hopes the new lights will be operational in September.

The same planning meeting approved plans to construct a new block at the School end of the ground which will contain new toilet facilities (including provision for disabled supporters) and a large kitchen which can be used on match days for hospitality as well as upgrading the present take-away catering offered to supporters.

The Club hope to have the new facility open by Christmas 2008.

CROYDON ATHLETIC FC

Croydon Athletic Football Club have this week appointed "JJ" Johnny Johnson as Kit Manager. JJ joins us having spent the past 7 years carrying out the same role at Carshalton Athletic FC. Prior to this he was previously both Coach and Manager at neighbours Croydon FC and back in his playing days turned out for Barking and Tooting & Mitcham FC to name but a few.

Chairman Dean Fisher commented, "I am delighted that JJ has agreed to join us. I have looked after our kit requirements for the past 23 years and this part of the club alone is like a full-time job making sure that all of the teams have everything that they require for training and matches plus dealing with the laundry. Therefore I am pleased to get someone who can take this task from me and also continue to look after the players to the high standard that we have set over the many years. We welcome JJ who will be a great addition to the Club.

GREAT WAKERING ROVERS FC

Inner London Group are the new first team sponsors of Great Wakering Rovers Football Club. In fact the Company is no stranger to the Rovers as last season they sponsored the reserve side.

Two old favourites have returned to help run the club and a new face, Robert Lilley, joins as Commercial Manager and Webmaster. The two returning to the fold are Fred Smith and Steve Swain.

KINGSTONIAN FC

Kingston's premier record shop is to throw its support behind Ryman League team Kingstonian Football Club as club sponsor for the 2008/09 season.

In a move reminiscent of Skint Records' support for Brighton & Hove Albion, and also of Cherry Red Records' sponsorship of K's in the mid '90s, Banquet knows that music and football are two passions that go hand in hand for many of its punters. However, more than this, it is a move to show the importance of 'community' on both the football and music worlds.

Dave House, who handles the marketing for all sides of Banquet commented, "Here at Banquet Records, community plays a huge role in what we do. From the outside we may be your local record shop, stocking all the latest titles from all sides of the musical spectrum – indie to funky house, punk to d&b, soul to rock, but we're really much more than that. We've been running music events in the Kingston area for over a decade from all ages in-stores, small pub gigs at The Peel or The Fighting Cocks to our regular club nights at McClusky's, Bacchus and The Works."

Just like what happens at Jack Goodchild Way on match day, these events are truly significant to those involved in the thriving and enthusiastic community that both these worlds share.

Banquet Records MD Jon Tolley a fan of the K's since his school days added, "There are many similarities between the way both football club and the shop work. For both of us it's a battle to get in punters when there are so many big boys out there competing for the bums on seats or feet on the shop floor. But we both know that what we have is not only a great product, but in each case the tradition and the community feel brought by both

institutions is an important part to, not only the fans, but also the wider Kingston community.”

Kingstonian Joint-Chairman Mark Anderson commented on the deal, “We are really pleased to have such an enthusiastic group and well known local brand, Banquet Records, sponsoring the Club this season. The stuff we can do together in terms of joint marketing is really exciting and something we will be actively promoting during the course of this the first year of what we hope will be a long term relationship. Having the "Banquet Community" supporting K's will be great for the Club!”

NORTHWOOD FC

It's been a good year for Northwood's 17-year-old Aryan Tajbakhsh, who scored his first senior goal for the club in midweek at Arlesey Town. Back in May he was selected to take part in the Cesc Fabregas show and appeared alongside the Arsenal and Spain star in a contest designed to show how well each player controlled the ball.

Northwood have allowed the youngster to sign on dual-registration non-contract terms with Coca-Cola League Two side Barnet, and he could even be in their squad for the opening games. Aryan has been training with the Bees for the past two weeks and has certainly impressed Manager Paul Fairclough with a couple of appearances in warm-up games.

WEALDSTONE FC

Following the recent announcement of an affiliation with Pinner United FC, Wealdstone FC has stated their aim to build and promote relations with other junior football clubs in the area and is therefore delighted to announce an affiliation with Ruislip Rangers FC.

Ruislip Rangers FC, with well over 400 players playing under its' banner, is the largest youth football club in the area. It is also the oldest, formed in 1969. A holder of 'Charter Standard' status, the club is hugely successful with a number of players attracting the attention of professional clubs. Winners of the Harrow Youth League U18 Premier Division Championship last season, together with Fairplay/Sportsmanship award for the last two consecutive seasons the Club will cater for all ages from five year olds to adults in the coming season including fielding two girls teams at U14 and U12 level. Home games are played at King's College Playing Fields, Ruislip.

As part of the agreement between the two clubs Wealdstone FC will provide additional

coaching to Ruislip Rangers. It is hoped that this link will be of benefit to both clubs and enhance the chances of players reaching their goal of becoming a professional footballer.

The agreement also entitles each playing member of Ruislip Rangers to free entrance to Wealdstone's Ryman's Premier League matches and discounted admittance to their parents and coaches. Ruislip Rangers players are also invited to take part in matchday activities at Wealdstone's home games such as half-time shoot-outs.

There will be reciprocal arrangements in that both clubs' websites will link to each other and Ruislip Rangers news will also be carried in the Wealdstone matchday programme.

It is hoped that this will be the start of a long and fruitful relationship between the two clubs.
